

Slice of the Pie Pizza Celebrates 27 years in Laguna Niguel..

Our original Greenfield Drive store has been here since 1991, twenty-seven years ago! Where has the time gone? It seems so long ago when Slice of the Pie Pizza was a dream and we were just starting out.

Thank you to all the wonderful customers and friends who have been with us from the start, all the loyal fans who still close to three decades grace us with their presence. We continue to bring you the best product money can buy. As we have changed our original name through the years, we shall forever remain The Upper Class of Gourmet Pizza. We use the finest, freshest ingredients we can find and continue to put love and caring into all our food. Thank you dear customer, for as we have served you, you have served, nurtured and loved us back.

We are forever grateful.

The Cusumano Family.
